Annual supply fee: \$125

Kids are capable, creative, curious, full of potential, and worthy of respect. Preschoolers need 'Yes' spaces in which to play freely and feel valued, because it's through play that true learning takes place. Our classes include: Lots of learning and play outdoors! In addition to preschool fundamentals like ABCs and 123s, we offer kid yoga, mindfulness activities, a focus on social and emotional intelligence, earth-centered practices, and lots of creative arts. Snacks are provided by 7 Tribe, kids must bring a packed lunch and reusable water bottle daily.

SEEDLINGS

Classes are held in Seven Valleys and York UUCY locations

Kids aged 18-months to 3 years (plus a caring adult)

Held seasonally on Fridays 10-11:30 a.m.

\$135 / 7 sessions

Our Seedlings program is a stepping stone into the world of education, through purposeful outdoor play. To thrive in this dynamic world, children need outdoor play experiences that deliver the hands-on lessons, valuable social interactions, and restorative activity that can't be gained from the tap of a screen. Our Seedlings program allows children to enjoy an hour and a half of structured outdoor play, while feeling the security of their parent or guardian nearby. Both adults and children graduate the program feeling confident and equipped for the preschool years ahead.

**Hours and location subject to change.*

Should any of these changes no longer work for your family, your security deposit will be returned.

Nature School of York along with the full day sibling preschool class will move to Seven Valleys for the 24-25 school year. Half-day Preschool and 5/6 classes will remain at UUCY location for the 24-25 school year.
